

UPDATE # 73 - "CITY OF SAVANNAH"

B-17 Restoration

October 8, 2010

We wish to thank Dick Ryan of NAS Wildwood's Air Museum in NJ for his visit to the Mighty 8th. He was impressed with the B-17 Restoration work and offered to donate some aircraft-quality sheet metal, rivets, and tooling to the project.

The Mighty 8th will be hosting a world premiere showing of "The Air War" at the Lucas Theatre in Savannah on October 23rd. The HD film, produced by The History Channel and Lou Reda Productions, documents the battle for command of the skies during WWII. The showing is free and open to the public. Reserved seating for B-17 Restoration Team volunteers is available by contacting Mandy Livingston at mlivingston@mightyeighth.org

Volunteers are needed to support the Mighty Eighth Air Force Museum's *Flying Fortress 5K* Run/Walk to be held on November 6, 2010. All proceeds from this event will go directly to the B-17 restoration. If you can lend a hand, please contact Jane Harper at jharper@mightyeighth.org

More to come . . .
